

11 April 2025

Product code: EXPBOOSTR2RA

Revised: 15 April 2025

EU DECLARATION OF CONFORMITY

Object of the Declaration

Product Name:	BOOST-R + ReAKT & Peloton Mk2
Product Code:	EXPBOOSTR2RA
Serial No.	BRA24:0000
Description	The definitive lightweight, technology-packed rear light for visibility in all conditions. The BoostR ReAKT + Peloton can flare up to 150 lumens and runs from 6 to 48 hours on a single charge. USB-C provides fast and convenient charging. DayBright pulse pattern and a specific lens design ensure that this light has the power to penetrate through urban traffic and give side illumination for 360° visibility. Be seen from over 1km away.
